## **The Radio Club of America Announces Recipient of Joint RCA / IWCE Young Achievers Award and Scholarship**

(March 24, 2022)

The Radio Club of America, the world's oldest society of professionals working in the wireless industry, in conjunction with IWCE, today announced that Frances "Frankie" Bonte is the recipient of the 2022 Young Achievers Award and Scholarship.

This Award is in recognition of demonstrating creativity and technical expertise in wireless communications. Ms. Bonte Frances "Frankie" Bonte, KE8HPA, is a recent high school graduate from Columbus, Ohio. At her high school, she was involved in theatre, student government as the treasurer, and the chemistry and math clubs. She enjoys being involved in science research and ham radio. In addition to working with the citizen science organization HamSCI, she completed a capstone project on 5G antenna siting, and is involved in the WWV Doppler Shift study with the team from W8EDU. She now attends Case Western Reserve University and is studying both engineering and dance.

### About RCA

Founded in 1909, the Radio Club of America is the oldest, most prestigious group of wireless communications professionals in the world. Members are dedicated to the wireless art and science for the betterment of society. The Radio Club of America is a 501(c)(3) organization.
